NOTES

1. **QUESTION:** "We received a copy of the RFP, and we noticed that Pages GR-42, GR-43, and GR-44 are missing. Please provide us with the missing information as soon as possible."
ANSWER: There is a problem with the pagination in the printed version of the RFP, but not in the electronic version available on line. In the printed version, there is no missing information, however the page numbering skips from page number GR-41 to page number GR-45. The printed version has no missing information or missing pages.
2. **QUESTION:** "Our copy of the RFP is missing Form 4T. Please provide."
ANSWER: This particular RFP does not use Form 4T, so Form 4T is not included therein, and will not be made available for this RFP. Proposers need not submit Form 4T with their proposals.
3. **QUESTION:** "We noticed that Exhibits A and B, and Exhibits D and E are missing from the 'Federal Transit Administration Third Party Contract Requirements' section of the RFP booklet. Please provide."
ANSWER: There are no missing exhibits in the "Federal Transit Administration Third Party Contract Requirements." The pages marked "Exhibit C" and "Exhibit F" are, in fact, the only pages marked s exhibits.
