ADDENDUM NO. 3

September 14, 2007

Q: Your addendum #2 provided an answer to a question on the DBE goals as 13%. How can we estimate 13% DBE Participation if we don't have an exact scope? Please provide us with some guidance as to how to measure this.

A: Proposers are required to utilize the general overall scope of work provided in Section VII (A) of the Request for Proposals to assemble a team that would ensure that the proposer meets the DBE Participation Goals of this procurement. Information concerning actual utilization of DBEs during the services performed for this procurement shall be made available to the City during the task order assignment process. Successful proposers shall take into account the DBE participation goal of the resultant contracts when the individual task orders are assigned.

Q: On page 10 of 13, Question 3. regarding the use of graphics, does this include the use of pictures on our standard SF 330 Section F project descriptions?

A: No pictures or drawings should be included, except for cover of the proposal.
